## Franklin County

The Early Childhood Profile is produced by the Kentucky Center for Education and Workforce Statistics (KCEWS) for the Governor's Office of Early Childhood (GOEC) and the Early Childhood Advisory Council (ECAC) utilizing data from the Kentucky Longitudinal Data System (KLDS).

### Kindergarten Readiness

Kindergarten readiness means each child enters school ready to engage in and benefit from early learning experiences that best promote the child's success. The BRIGANCE K Screen III measures readiness in five domains: academic/cognitive, language, physical, self-help, and social-emotional development. The composite readiness score reflected here is comprised of the academic/cognitive, language, and physical development domains and represents the percentage of students who were ready for kindergarten.
