We have many exciting adventures planned for our campers! Summer Camp has weekly themes with corresponding activities including art projects, science experiments, organized games and more! Summer Camp incorporates education with fun and focuses on the care of your child all summer long. Campers will have constructed play as well as free play daily in the school gym and outside. Guest speakers to go along with our themes will visit the camp. Summer Camp may also take field trips to locations such as Juniper Hills Pool, the Salato Center, Josephine Sculpture Park, and the Paul Sawyer Public Library. GSCS provides two snacks a day for your child. Each child will need to bring a packed lunch every day.
