**Congratulations**

**to our first grade teacher, Mrs. Parsley,  
on the birth of her new baby girl, Clara!  
Mom, Dad, and baby are doing well.**

We welcome to our school family, Mr. Cory Sims, who will be serving as our first grade teacher for the remainder of this year while Mrs. Parsley is on maternity leave. Mr. Sims and his family have just recently moved to this area and joined our parish. He comes to us with several years of teaching experience in Tennessee.

Our supporters (300 households) who shopped at **Kroger** between **12-1-2017** and **2-28-2018** have contributed **\$2749.48** to GSCS through the Kroger Community Rewards program. This program is an easy way for Kroger shoppers to help our school. Check out [Kroger.com/community-rewards](http://Kroger.com/community-rewards) and choose Good Shepherd School to receive benefits or contact Miss Sims in the office for more info about this great fundraiser.

### **KUDOS for KUNA**

Did you know that our KUNA students passed their resolution at the conference this year? Only 10 - 20% of the proposals presented pass at any given conference.

Better yet - did you know that GSCS had the outstanding bill presented at last year's conference and that another GSCS team passed their resolution in front of the entire General Assembly at KUNA, with roughly 1000 students in the audience. Oh, and they were 6th graders.

One final interesting and remarkable achievement. Our recent group of authors - Anna Amato, Isabelle Cecil and Arantza Valladares-Valles - have had their last three bills or resolutions passed at conference. This is a truly impressive feat!

We are proud of all our students who represented GSCS so well at this year's model United Nations and are grateful for Mr. Myers and Ms. Cutchin who accompanied them.

**Thanks to all our sponsors, partners, donors, volunteers, and racers who participated in our 10th Annual Run for the Gold. Your help is great in supporting the arts programs at our school.**
