

Good Shepherd Preschool

School Year 2018-2019

Good Shepherd Preschool is a full day, Monday through Friday program (1/2 day optional). A certified early education teacher and an instructional aide provide an age-appropriate and Christ-centered curriculum with a small student-teacher ratio. Good Shepherd Preschool is a participant in the **KY-ALL STARS** program offered by Kentucky's Early Childhood Initiative, and has achieved the highest level with a **5-STAR RATING**.

What is a "KY All-Stars" program?

KY ALL-STARS is Kentucky's expanded five-star quality rating and improvement system for early care and education programs. Studies show that children who attend higher quality early learning environments have better math, language and social skills. Kentucky All-Stars is based on Kentucky's Early Childhood Standards and research-based indicators of quality. It recognizes programs that have made a commitment to continuous quality improvement.

In addition to basic needs to be successful in kindergarten, the preschool provides enrichments such as Music, Library, Technology Time, Physical Education, and Spanish. Students have the option of eating lunch provided by our full-service cafeteria and may enroll in our Aftercare and Summer Camp programs (additional fees apply).
